Dear Parents / Carers,

Hopefully you have all managed to read the letter sent to you all on Wednesday of this week giving you an update on accessing online learning from Monday 4th May. If you didn't manage to read it, [please click here to access it](#).

Just a wee reminder that, when you collected your child's packs from school when the school closed back in March, you had been given a lengthy letter, approx. 8 pages, giving information about our closure. At the very top of this letter it had your child's name and their Literacy and Numeracy Group information on it. You will need this information when you start online learning on Monday.

The letter looked like this....
