Saint Vincent De Paul Eco-Code!

Go Green Team!

Recycling paper is our thing.

Energy is so cool- so save it in school.

Everyone has the right to play.

No litter in our space- keep our school a tidy place!

Take care of plants and trees, pretty please!

Eat well, stay well, keep fit.

Avoid the car, walking's better by far.

Make our school a green, clean, Eco-Machine!
