Dear Parents

I hope you and your families are keeping well and that the children have got off to a "flying start" with their home learning today.

Throughout this period of uncertainty, I promised that I would keep you up to date in relation to events as they develop. Therefore, it is with a mixture of sadness and relief that I have to announce to you that the school will close today until further notice.

We would like to thank you for your understanding and support during this time in working to follow key advice: "The safest place for our children and families to be at present is at home with as little social contact as possible" Please keep your children away from parks and other recreational areas.

We would also like to pay tribute to our parents who are keyworkers working in our hospitals, care homes and other essential areas at this critical time. Please keep them in your prayers.

Keeping in contact during closure:
