

SOCIAL SUPERMARKET & WRAPAROUND SERVICES

HERE TO HELP YOU

Life can be challenging, especially with the ongoing cost of living crisis, so it is important to know that help is available and where you can find it.

What is a social supermarket?

It is a shop for members that provides food and essential goods to support people facing financial difficulties.

Who is it for?

If you need to reduce your food shopping bills to help free up money for other essentials, a social supermarket can help. Contact your nearest site and have a chat with the team.

How does a social supermarket work?

Members pay a small weekly fee and in return can choose from fresh, refrigerated, frozen and long-life foods.

What are the wraparound services?

Support staff are also on hand to help and advise. They can link you to other services based on your needs.
