

EBRINGTON PRIMARY SCHOOL

March Newsletter

125 Celebrations

REMINDER:

We hope you are enjoying the social media posts, photographs and videos on the school Facebook page.

If anyone has any artefacts, resources or photographs they would be willing to share, please send them into school (named), or email into school to bguthrie493@c2ken.net.

As well as sharing artefacts and items at our open morning in April, we plan to upload photos to our school Facebook page. This should hopefully spark happy childhood memories of Ebrington PS for many of our school community.

Upcoming EVENTS

On **Tuesday 21st April, 10:00am**, we are holding our **birthday celebration service** in Ebrington Church-back where school started. It promises to be a VERY special event and we look forward to having all our pupils and as many others from our school community join us.

Please spread the word across the community. We have several special guests returning and some of the performances from our pupils are sure to blow you away.

That same afternoon, we are holding a time capsule and tree planting event. All classes have been putting together items for the time capsule burial, and we have a special oak tree ready to plant at the front of school.

We also hope to form the numbers '125' in the back playground, using pupils and staff. If anyone has a good quality drone available to assist with this, please contact the school.

On **Friday 24th April**, we are holding our **two special breakfasts** (information previously sent out, and on the school Facebook page). Booking is completed via the SchoolMoney app, in the 'shop' section, where you should book whatever number of adult/ pupil tickets required for either **8:15am or 9:15am**.

On this day, **Friday 24th April**, we are holding it as a 'non-uniform' day, where pupils can come in wearing their own clothes, or maybe some might like to dress as a child or a character from the last 125 years. We will leave that up to you! Perhaps some of you have the 'old' Ebrington sweater at the house stored away somewhere, and would like your child to come to school wearing it?

We will be having a bit of a party in school that day-more details to follow after Easter.

Mr Guthrie is toying with the idea of bringing back an old tradition to get the staff to wear uniform to school that day. Perhaps we should get the pupils to vote on it!

Returning retired staff

What a special afternoon we had in school on Wednesday 25th March, with a variety of retired staff returning to read stories, tell stories and answer questions throughout school. They stayed on after school too and had great fun sharing afternoon tea and reminiscing. If you haven't checked it out yet, see the photographs on the school Facebook page.

Specialist Provision Unit at Ebrington PS

A consultation link for a survey on the siting of a specialist provision unit at Ebrington PS has going live this week. The letter with link has been uploaded to your child's Google Classroom/ SeeSaw. I would appreciate it if you would take some time to complete. Thank you!

PTA events

Thank you to all those who have taken part in or contributed to recent PTA events. The Bingo Night proved to be a massive success, and I am sure it is one to do in the future.

Also, thank you very much for the engagement with our Smartie Tube appeal. We are still getting some tubes into school, but it looks like we might be near a £2000 total-amazing how gathering change together as a team can lead to such an amount.

A big THANK YOU also to the school council and PTA for running two other Easter draws. These will be completed today, with prizes going home.

Summer dates for your diary!

Sports Day

We plan to run our **Sports Day this year on Thursday 4th June 2026**. The format should be similar to last year, with Foundation Stage (P1 & P2) running first (approx. 9:30), then Key Stage 1, approx. 11:00-12:15 (P3 & P4) and then Key Stage 2 (P5-P7), approx. 1:15-2:45pm.

Summer Fayre

This year, we are running our summer fayre on collaboration with Caw Nelson Drive Action Group, following on from the fun event we had planned to open our school year back at the end of August. There will be lots to see and do, and plenty of fun to be had! More details coming after the Easter break.

It will be held on Wednesday 10th June 2026, and will be the last celebration event of this academic year for the school's birthday.

School Holidays 2026-2027

We are just waiting for DE to approve our school holidays list. We will endeavour to have this out to parents as soon as possible after the break.

Wishing you all a restful Easter. This has been a very busy term, and the summer one promises to be one too!
