

Arrangements for 2021/2022 School Year

Dear Parents,

It is hard to believe that we have come to the end of the school year. It has been a very difficult year in many ways for all of us and I would like to thank everyone for their continued support of our staff and children. They have all worked so hard, both at home with remote learning and in school.

Next year we will continue to follow DE guidelines and I will update you over the summer if there are any changes.

Over the summer we will be having work carried out to the school. We will have two new mobile classrooms for our P2 and P3 children and the current P3 room will become a multi-purpose resource area.

Children from P2 and P3 can enter school through the main entrance.

We are all very excited about this and I will share photographs of the new building once it is completed.

P6 will be moving to the old P2 classroom and they can enter through the main door to school.

All of our children will be returning to school on Tuesday 31 August from their usual start time to a staggered end time from 11.45am.
