

P2

Good morning boys and girls,

I hope you are all enjoying your time at home, it is still strange not being able to get into school to see everyone. I really miss seeing you and listening to your stories, especially on Monday mornings!

Over the Easter holidays it was very different not being able to go out anywhere.

I've been doing a lot of gardening and playing a lot more with my dogs Anya and Toby!

I think the dogs are really enjoying having everyone home all day!

Here is a picture of them in the garden!

Mrs Greer and Mrs England have told me about the topic 'Travel and Transport' that you have been working on at home. I have seen some of your lovely pictures and models of lorries and cars using junk materials and lego – they are fabulous! Also, Mrs Greer has told me that you are learning to count up to 100 in tens as well as learning about 3D shapes and doing addition and subtraction sums – you are all keeping very busy!

Don't forget to keep sending pictures of your work, it is lovely to see the things you are doing at home.

I know it is hard not getting out to visit family and friends but I just want to make sure you know how proud I am of you all for being so good and working so hard for your parents at home. We all miss you very much and hope it isn't too long before we can get to see each other again.

Thinking about you,

Mrs Watson
