T-Rex says..

This game is like Simon Says.

You will need someone to play with you and someone to call out T-Rex says..

You listen to the action that is being asked of you and do that action.

Example; T-Rex says stand on one leg. T-Rex says roar like a dinosaur.

If the person just says Stomp like a dinosaur and you do the action you are out.

Take turns at being the person who is calling out the actions. Good luck.
