Recycling Week 2024

Miss McKenna and Miss Toner's class had Mary Brady from the Belfast City Council in class, for recycling week. They were the very first class in Northern Ireland to try out a brand new Recycling Week Board Game! It was great fun!

Supporting your child

At holy Rosary we believe that Parents and teachers should work together as a team, towards creating the best possible learning environment for our children.

Please be sure to watch your child's curriculum video in order to best support them with their learning this year! Each teacher has uploaded this to the class Showbie page.

Please complete all homework set on Showbie each evening. This will build on class work and allow you to support and become involved in your child's learning.

Parent Teacher meetings will take place during the week **25th-29th November**. Meetings requiring an interpreter will take place during the school day, those not requiring an interpreter will take place after school.
