

Dear parent/carer,

- ✚ Your child has logged on to their MyON account in school today.
  - ✚ We have attached a step by step guide for you to explain how they can easily access the site.
  - ✚ They have adjusted their settings to suit their interests.
  - ✚ Their MyON account can now be accessed from home on computer/laptop/ipad or phone with the login details written on this page.
  - ✚ Your child will now have access to thousands of free online books which they can read at their leisure!
  - ✚ There is also a setting where they can have the story read aloud to them.
  - ✚ Your child can also access Accelerated Reader quizzes from this site, once they have completed the book.
  - ✚ This allows them to continue to add to their points value in school for prizes!
  - ✚ We feel that this a wonderful opportunity for the children and would encourage you to make the most of this valuable resource. We hope they enjoy it! 😊
