

Weekly P4 Activities for Home Learning

4th – 7th May '20

- This is the outline for our weekly home learning activities, which you can complete in your own time. We recommend to stick to the overview on these days as much as you can, in order to pace out the work.
- Remember this is only a guide. **You do what is best for your child and only complete what is possible.**
- Remember every week there will be new See Saw activities posted.
- Don't forget to use the spelling list for writing sentences and to help you create dictation sentences. Practise your joint handwriting, remembering title, date and underline all our written work!
- IXL English is an excellent resource along with IXL Maths. Remember you can move up/down the years
- Answers for work will be uploaded so please mark before uploading.
- Primary 4's Topic this term is Castles.

Monday

Spellings dated 4th April – sh, ch, s, ce sounds

Mental Maths – www.topmarks.co.uk Daily 10 (select any level and section - you know your child and what they can do).

Mental Maths Focus Home Learning. Subtract 9 to any number within 100 e.g. Subtract 19,29,39 etc to any number within 100. (Remember the strategy – Subtract 10 + 1). Continue to learn the X2, X5 timetables. Timetables are extremely important to keep up with.
