Making Faces Challenge!

- Here's a challenge: go out into your garden, or as part of your daily trip to the local park, and gather up some materials that you think will help you make a picture of a face!
- You could use leaves, twigs, grass – whatever you can find.
- Just be sure to leave any animals or creepy crawlies alone as we've been told they don't like being made into Faces!

Don't forget to upload your pictures.

Looking forward to seeing some amazing faces!
