

P.3. Weekly Activities for Home Learning

15th – 19th June 2020

- This is the outline for our weekly home learning activities, which you can complete in your own time.
- Remember this is only a guide. You do what is best for your child.
- Don't forget to use the spelling list for writing sentences and to help you create dictation sentences.
- Don't forget to practice your joint handwriting, remembering to title and date all our written work! Now is a good time to practise using a ruler to underline the date and title.
- IXL English is an excellent resource along with IXL Maths.
