

Weekly P1 Activities for Home Learning

22nd June – 26th June

This is the outline for our weekly home learning activities, which you can complete in your own time.

- We have reached the last week of our learning. The last few months have really flown in for us all. This week's work is a mixture of just for fun along with some summer colouring in and booklets for you to print off and use with your children over the summer weeks if you so wish. Please don't feel that you have to return any work this week.
- IXL English is an excellent resource along with IXL Maths. Please continue to use with your children over the summer months to keep their learning fresh. Oxford Owl is a great resource for reading and we really hope you will keep reading with your children over the summer to help them when they rejoin us in St Patrick's for primary 2.
- Lexia Core 5 licences have been set aside for P1 – please use this resource- the licenses will expire so try to do as much as you can for this last week.

Monday

Lexia – 10 – 15 minutes a day

Literacy: Hidden Words activity

Reading – Big Cat Reading Scheme (see link on the website- Pink/Red level for P1) and Oxford Reading Tree – information posted on Seesaw
