

## P.3. Weekly Activities for Home Learning

22nd - 26th June 2020

### **\* Last week of Home learning for P.3 \***

- Well done Primary 3 & Parents for all the hard work throughout Home Learning
- This Week all class work and reports will be given out
- When you are collecting reports and class work please return the following books: **reading books, reading records, library books and any other school books.** These are all needed for next year.  
**We cannot give out reports unless these are returned. So please have a good look.**
- Continue to work on with Reading/IXL/Purplemash/Lexia this week also.

#### **Monday**

Miss McNulty's & Mrs O'Hare's class to collect class work/books and school reports. This will take place up at the church carpark entrance, weather permitting. If it is raining it will take place in the Parochial Hall.

**Miss McNulty - 10-11.30 pm**

**Mrs O'Hare - 12-1.30 pm**

Our Primary 3 Year Review - We have learned many things and made lots of memories. So let's remember this year as we prepare to say, "See you later!"

Send in one or two photos to seesaw of something that you really enjoyed doing over lockdown. If you want to include more you can send in 1 pic collage. If you would like to send a wee message to your friends that would be nice also. We will put together a selection of these photos for you to watch on Friday.

#### **Tuesday**

Numeracy - We've been learning our x2 times tables. Now you are ready to play Doubles Bingo with another family member. Recite your x2 times tables a few times before you start so you are ready.

Virtual School Trip - Primary 4 went to Disneyland last week so it's only fair that you go also. There is no activity to complete. Just enjoy looking around and experiencing the magic.

#### **Wednesday**

**End of Year Mass for all pupils at 11 am.** We would love all the pupils and parents to watch the mass. Live streaming is available on: <https://watchmcnmedia.tv/camera/parish-of-clonduff-1>

Art & Poetry - Learn how to draw a Butterfly. Follow the link. Then write an acrostic poem. If you are in the mood to draw, you can continue to draw a Mickey Mouse Ice Cream Cone.

#### **Thursday**

Oh the Places I'll go! Listen to the Dr Seuss story, and draw a picture of a place you see yourself visiting or that you will do in the future.

Multiples of 2 and 5 - Recite the x2 and x5 timestables.

#### **Friday**

Fractions - Drawing Equal Parts

Movie Day - 'My P3 School Year' - 2019/20. (This will only be available to watch from today).

What do I need? a little treat (because you've earned it) and some tissues (just in case!). Make yourself comfortable, sit back and enjoy seeing your class.

It turned out to be a very unusual ending to your P.3 year. Never, ever has anyone we know lived through a world pandemic and everyone having to be home schooled for over 3 months. So we thought we needed to document it.

Well done Boys and Girls, Mums and Dads on all the great work you have done over the past 3 months! We are very proud of all our P.3's. Thank you for your help and support.

Enjoy your summer break!!!!!! You deserve to have some fun.

Please take care and stay safe!

Mrs O'Hare & Miss McNulty
