Future Plans Jar Challenge

You will need

- An empty glass jar
 - Post its
 - Pens/colouring materials etc
- Being under lockdown is making us miss all that we took for granted: seeing friends, going out, and watching a film at the cinema.
 - Every time you wish you could do something, go somewhere, treat yourselves, see someone you love, visit a new place or invite people to visit, write it down on a post-it note and put it in a jar.
 - When all this is over this will be your bucket list and you’ll work your way through the jar and be more grateful than ever for the little and lovely things in your lives.
 - Until then you’ll enjoy watching the jar fill up with magical things to look forward to.
 - Some of the notes in the jar could include simple things such as ‘stay at Granny’s house’, which is currently not possible as elderly people are self-isolating.
 - ❖ Decorate your jar (The outside of it)
 - ❖ Take a picture of yourself with the jar and a recording of what you are looking forward to most and upload onto Seesaw.
