

## P.3. Weekly Activities for Home Learning

27<sup>th</sup> April – 1<sup>st</sup> May 2020

- This is the outline for our weekly home learning activities, which you can complete in your own time.
- Remember this is only a guide. You do what is best for your child and make it suit you.
- Don't forget to use the spelling list for writing sentences and to help you create dictation sentences.
- Don't forget to practise your joint handwriting, remembering to title and date all our written work! Now is a good time to practise using a ruler to underline the date and title.
- IXL English is an excellent resource along with IXL Maths
- Try to pace your work throughout the week by sticking to this overview as much as possible.
- Don't forget some PE regularly and lots of play throughout the week.

### **Monday**

IXL Numeracy – Complete some of the IXL targets outlined for Numeracy

### **Tuesday**

Spellings – List 25: Week Beginning: 27/4/20 's' 'ce' 'se' and 'ss'

Mental Maths – Know near doubles to 10+10 e.g if 4+4=8 then 4+5=9.

Numeracy - Complete Numeracy worksheet – Recap on the terms place value, tens and units. Today we are subtracting with 'regrouping'. This is new and should be a practical activity using a page or whiteboard. In school we use base 10 materials of rods and units to represent tens and units. You can use anything else similar e.g straws to represent tens and perhaps little sweets to represent the units. Place an amount of units on the table, children must exchange a group of 10 for a rod e.g. 23 units = 2 tens and 3 units Template included. Lots of practise and understanding before moving onto the written work.

[https://www.youtube.com/watch?v=Buyage\\_L5-Y](https://www.youtube.com/watch?v=Buyage_L5-Y) This is an explanation of how to complete as this is new for P3). This is a step further from before Easter. NB We don't call it ones like they do in this demonstration. We call them units. The Tens and Units column.

IXL Literacy – Complete some of the IXL targets outlined for Literacy.

Purple Mash – Complete activity on Purple mash in "2Do's" section

### **Wednesday**

Spellings – List 25: Week Beginning: 27/4/20 's' 'ce' 'se' and 'ss'

Mental Maths – Know near doubles to 10+10 e.g if 4+4=8 then 4+5=9.

Literacy - Recap on singular and plural and discuss that for some words we add on -es. Watch Nessy video on youtube on adding es to make a plural.

<https://www.google.co.uk/search?q=nessy+adding+es+to+make+it+a+plural#kpvlabx=0Y2IXujZKva61fAPrdmb4A426>. Complete work on Punctuation, using capital letters and full stops where needed. 1-9. Complete as many as you can. You do not need to do all 9. This may be too much. Write out in a jotter.

Reading – Big Cat Reading Scheme (see link on the website)

IXL Numeracy – Complete some of the IXL targets outlined for Numeracy

### **Thursday**

Spellings – List 25: Week Beginning: 27/4/20 's' 'ce' 'se' and 'ss'
