

Mathseeds Student Console Map

Mental Minute

The area is designed specifically to build maths fact fluency - the ability to recall basic maths facts accurately, quickly and with ease.

Lessons

This is the heart of the program, the Maths lessons. Students progress through lessons as their maths skills increase, earning golden acorns and pets as rewards!

Driving Tests

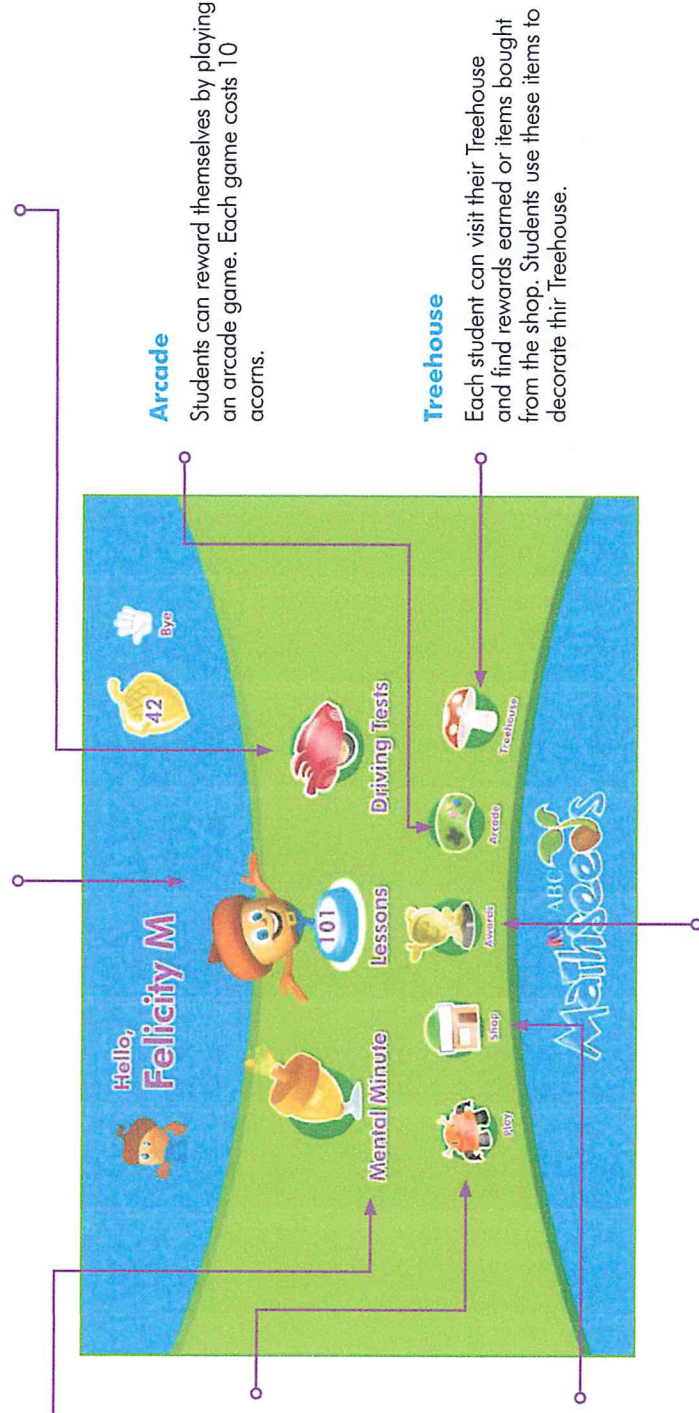

More than 340 highly motivating tests assess students' skills and knowledge with a fun reward game!

Play

The Playground consists of seven sections with more than 120 activities. Students can access the playground at any time simply by clicking on the Playground icon.

Shop

Students can buy items from the shop using their golden acorns earned by completing lessons. These items can be used to decorate their Treehouse.

Arcade

Students can reward themselves by playing an arcade game. Each game costs 10 acorns.

Treehouse

Each student can visit their Treehouse and find rewards earned or items bought from the shop. Students use these items to decorate their Treehouse.

Awards

This is where the student certificates are located. Students can print their certificates to take home or display in the classroom.
