

I hope you all had a lovely summer break. We are absolutely delighted to have been able to welcome all the children back to school this week. The staff have all been very impressed with how well the children have adapted to some of our new routines including our new Golden Rule, 'Be Safe'. It feels like our Summerseat family is all back together again.

Thank you also to all the parents and carers who have adhered so well to our social distancing rules and also our arrangements for drop off and collection. With your ongoing support, our priority remains the safety of children, staff, families and the wider community.

Have a lovely weekend.

Home School Agreement—Coronavirus

Tonight, your child will be bringing home a home school agreement as part of our approach to keeping Covid safe.

Please can you read and sign it and read it with your child and ask them to sign it. Please return it as soon as possible.

Many thanks

Award Winners

Who has been shining this week at Summerseat?

All the children have done so well over the last few days—you are all Summerseat Stars—welcome back and well done! They will all receive a certificate this week.

Awards

Awards assembly will re-commence next week and we will have our usual golden awards, values and Love thy neighbour awards. These will be presented through a virtual assembly as we cannot gather in large groups at present. At first they will take place just for children but we will be inviting parents soon.

Homework and Reading

Next week, all children will bring home a 'Reading for Pleasure' book or a Summerseat Super Story (KS2) to read at home whilst we use next week to assess and ensure children are on the correct reading level. For children on the scheme, they will start to bring home reading scheme books from Monday 14th September. Please remember to read for 10 minutes with your child at least five times per week and sign the reading diary. Homework will resume from Friday 11th September.

Snack

Please can we ask that children bring snack in their school bag not their lunchbox as we don't have easy access to lunchboxes at playtime. Please make sure snacks are healthy i.e. a piece of fruit, cheese or health bar and not sweets and chocolate.

Remote Learning Letter

You will also have received a copy of our remote learning offer tonight. We hope we will not have to use this but we wanted to take the opportunity to let you know about our offer straight away just in case. All children will have sessions on how to use digital platforms during the autumn term. We will also be utilising them for homework.
