

'Meet' the Teacher

Next week, we will be holding our 'meet the teacher' sessions for each class at the session times listed opposite. During the meeting, we will be looking at the class organisation, routines and timetables. We will be providing updated information on our curriculum for this academic year which will provide lots of opportunities for children to develop their skills and knowledge across all areas of the curriculum. We would obviously have preferred to do these in person, however, with Coronavirus rates as they are at present, we are going to be offering these virtually via Zoom. We do hope you can join us.

Welcome to Reception

I would like to extend a special welcome to all our new Reception friends and their families as they have joined us this week. The other children were very pleased to start to get to know them and have given them a warm Summerseat welcome. Miss McQuaid has been delighted with how well our new friends are settling into school life already.

Class Emails

Just a reminder that class emails are to be used in the event of a school or bubble closure only. They are not regularly monitored other than if we need to move to remote learning. Please use the school office email for all enquiries.

Homework

Homework this week has been set on your new Office365 accounts. Please log on to view it. I do understand some families struggle to access digital work and this will be provided as a paper copy at present until laptop loans are agreed.
