

## Governance Update

This week, we held our Governors Annual General Meeting. At this meeting each year, the election of Chair and Vice-Chair takes place. Elected to the post of Chair for this academic year is Mr Liam Dean. We also welcomed two new Governors onto our governing body: Mrs Suzanne Pierce who joins us as an experienced governor from the Epworth Trust and Mrs Wendy Wakelin who was successfully appointed as a parent governor. Mrs Tammy Cooke will also work with the Governing body this year as clerk and Mrs Julie-Ann Hewitt will also attend each Governors meeting in her role as CEO of the Epworth Trust.

Can I take this opportunity to thank all the Governors for their hard work, commitment and support in what has been a very unusual school year with particular thanks to Mrs Marcia Harvey and Mr Stephen Ogden who were chair and vice chair last academic year.

## Coronavirus

On behalf of the Governing body, I would like to thank all the parents for their continued support and co-operation at this very unusual time and particularly in regards the wearing of face coverings at drop off and collection times.

Just a reminder, If your child/ren or anyone else in the household has any one of the following symptoms, your child/ren must NOT attend school:

- A high temperature
- A new continuous cough
- A loss or change to your sense of smell or taste

If you or your child/ren have any of the identified symptoms, the whole household will need to self isolate. You should contact the school office via telephone or email to let us know and the symptomatic person needs to take a test. Other members of the family do not need to take a test unless they start to show symptoms. Please keep us informed about any test results to inform any action the school may need to take.

Many thanks
