

What a busy, fun-filled week it has been in school. Thank you to everyone who joined us for our Fair Trade coffee morning today—we hope you enjoyed hearing from the children about the work they have been doing in this vital area. We are so proud of our Eco-council for all their efforts organising this and decorating over 200 cakes! Thank you also to our visitor, Mr Emblem, who came to lead a Fair Trade assembly presentation for all the children and has provided lots of advice as the secretary of the Fair Trade group for the North West. Also, I would like to thank all the staff and their parents who have been busy baking with Fair Trade ingredients to sell at the event. Many thanks for your support and your donations.

This week has also been Book Week—I was very impressed with all the imaginative costumes from children and staff alike. Across the day, we had a costume parade in assembly and classes shared lots of stories and completed activities including:
 Class 1—Role playing favourite stories focusing on beginning, middle and end and including a villain.
 Class 2—Writing character descriptions of the characters they had come to school as.
 Class 3—Making story maps of the classic Judith Kerr book, 'The Tiger Who Came to Tea' which they plan to share with class 2. They also wrote short stories to make a class animal story collection.

Class 4—Answering maths word problems involving World Book Day and story characters and writing descriptions of favourite characters. Also this week, members of Class 4 competed in a Tag Rugby event at Woodhey High School and performed really well—a huge well done to all involved.

Next week, we are looking forward to Sports Relief.

Thank you and have a lovely weekend.

Sports Relief—Thursday 12th March

On Thursday, we will be taking part in Sports Relief. We ask that you wear sports clothes in return for a £1 donation to the charity. In the afternoon, children will take part in a range of sports activities in their houses. They will take part in an obstacle course with Mr Jarrett, a Relax Kids workshop with myself and also parachute games and playground games. It should be a fun packed afternoon!
