

I hope you all had a lovely half term break despite the wet weather.

I would like to take this opportunity to thank Mrs Shales for her work in Out of Hours Club in recent years. She will remain in school in her capacity as a teaching assistant but will no longer be working in Out of Hours. We welcome Miss Saunders to our Out of Hours Club team.

Have a lovely weekend.

Coronavirus

You have likely seen the extensive news coverage regarding the outbreak of the Coronavirus in China and the subsequent cases elsewhere in Italy, Tenerife and the UK. Please find, along with the newsletter tonight, the latest advice we have received from Public Health England. I hope you find it useful. We will be talking with the children about the importance of personal hygiene and hand washing next week.

Relax Kids Workshop

On Tuesday 10th March, we will be holding workshops to discuss our 'Relax Kids' approach. There will be two sessions available: 2:30pm—3:15pm or 5:00pm-5:45pm.

Relax Kids is a fun, 7 step programme, designed to help children to develop skills of relaxation and emotional regulation. Class Three have already completed several sessions and we plan to work with other classes on this approach during the spring and summer terms.

If you would like to join us to hear more about it at one of our workshop sessions, please let Mrs Mason know which session you will be attending so we can plan accordingly.
