

For My New Teacher...

Use the 'For My Teacher' template to make a drawing, note some things you enjoy & a special message for your P.5. teacher. Keep it safe! 😊

My End of Year Message...

Ask an adult or sibling to help you record a special video for your Class SeeSaw. Tell us all what you have been up to, what you miss about school & what you look forward to next year! 😊 Ceilí Bradán Ceilí

Hi boys & girls!

Wow! Our final week of Primary 4! We are so proud of you all for working at home and we send a huge thank you to all your parents- they are amazing! We miss you all so much and we know you might feel sad about not spending the week together in school. Do not worry- we can still connect on SeeSaw this week to remember the good times and send messages! We hope you have some fun completing your 'End of School' activities this week- share with us! 😊❤️

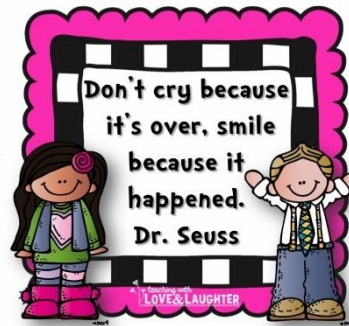

My Favourite Moments...

Create a poster to show some of your favourite moments from school this year. It could be playground fun, our learning games, topic activities or even any funny moments! Share it with us on SeeSaw- we love hearing about your fun times!

My SeeSaw Activity

Check out the SeeSaw Activity set on your Class SeeSaw. Make your own photo sign and ask someone to take your photograph for our 'End of Year' activity. We would love to see as many of your smiley faces! 😊

Time for Me... 😊❤️

Try out the 'Self Care Bingo'. We bet you will feel super good after completing some!
