18 March 2020

Dear Parent/Guardian

The COVID-19 Virus continues to spread. As a school, we are deeply concerned about the possible impact on our staff and pupils, their families and the wider school community. We have been monitoring the situation closely in school and will continue to take all necessary precautions in line with the relevant guidance.

School Closing 18th March 2020

Whilst we cannot provide information on the circumstances relating to individual staff or pupils, we can confirm that following recent consultation with EA, we decided to temporarily close the school on Wednesday 18th March. An enhanced clean has been carried out.

The health and wellbeing of our staff and pupils is our highest priority at this time. Please be assured that we will continue to monitor the situation very closely and will take all necessary action in line with government guidance.

I wish to remind parents that anyone displaying any symptoms such as a new, continuous cough and/or high temperature, should follow the most up to date government advice.
