**SAFEGUARDING TEAM:** Miss Heggarty, Mrs Cochrane, Miss Tannahill, Mr T McMullan, Mrs C McAvoy

## **AQE REGISTRATION CLOSING DATE**

AQE Transfer test - registration closes on Friday 9<sup>th</sup> October. Please ensure you have completed your application if you wish your child to be entered.

## **FLU IMMUNISATIONS**

Thank you to everyone for returning the envelopes. The flu vaccines will be given on 19<sup>th</sup> October, in school. I have been in touch with the nursing team and we have carried out a risk assessment together. Children will be immunised in the building their class bubble is in. The nursing team will be split into 2 groups.

## **SCHOOL WEBSITE**

Remember to look at the website to see lots of classroom photographs. Whilst we are posting photographs individually through seesaw you can view whole class pictures on the website.

## **APOLOGIES!**

Sorry I missed putting the school trip refund into folders for Monday! They will be in folders and coming home on Monday coming!

## **THANK YOU**

Our morning and afternoon routine is working well - thank you to everyone who delivers children to school and collects them at the end of the day. Our 10 minute home-time is helping to reduce the pressures on car parking spaces and ensure that social distancing can be maintained.

## **PERIPATETIC MUSIC LESSONS**

Trumpet and Violin lessons will begin again next week - **Violin on Monday, Trumpet on Tuesday.** Lessons will be individual with the tutor and children should bring their instruments on Monday and Tuesday.

## **MATHLETICS - P3-P7**

Children have been working very hard at their Mathletics all week. It has been lovely to see! Thank you to all parents who are supporting their child with these on-line activities.

The class who wins our weekly competition will be announced on Monday morning each week. We will keep a note of which class who wins each week and at half term that class will have a class party! The competition starts again each week and pupils are working to collect points - not only from their weekly activities they have been set but also by completing additional activities and games independently. The additional activities are not set by class teachers.
