

SAFEGUARDING TEAM: Miss Heggarty, Mrs Cochrane, Miss Tannahill, Mr T McMullan, Mrs C McAvoy

FLU IMMUNISATIONS

Flu immunisations were to take place in school on Monday 19th October. As the executive have now instructed schools to take an extended half term break the flu immunisations can't take place in school as had been planned. You should all have received information from the school nursing team on Friday with details how and when flu immunisations will be taking place. I would encourage you to follow the instructions within the letter and ensure your child still gets access to this immunisation. There will not be any immunisations given in school at any other time.

MATHLETICS SCORE BOARD

Well done to all our P3-P7 pupils for their contribution to their class Mathletics total.

CONGRATULATIONS TO P4 who won the trophy back again for their class!

HALF TERM

Everyone (Pupils and Staff) has made a great start to the school year. Children have been working hard and reports which are going out today reflect that. Well done everyone!

We have been granted an extension to our half term break. Pupils could use some time to read books they enjoy or have stories read to them and to go over any number facts they have covered this year. Stay safe.

We look forward to welcoming all our pupils back to school on 2nd November.

POPPIES FOR SALE

We will be selling poppies in each classroom from 2nd-6th Nov. Each class will have their own poppies for sale.

HARVEST ASSEMBLY

We have missed welcoming you all to our annual Harvest Assembly in school on the last day of our first half term in school.

As a school, we still wanted to take time to pause and thank God for the Harvest. Each day next week, on our school website, teachers will be sharing performances from their class.

We also usually make a collection for the local foodbank at this time of year. I would ask that you support their collections in local supermarkets or churches. They are very much in need of our help and support in these difficult times.
