We have been asked to share information about a new service operating for those who require urgent care at Causeway Hospital Emergency Department. **PHONE FIRST** is designed for patients, including children, who are feeling unwell and considering travelling to Causeway Hospital with an injury or illness which requires urgent treatment **BUT IS NOT LIFE THREATENING**. The service operates on a 24/7 basis and is available by calling 03001231123. If your situation is life threatening then please continue to ring 999 immediately. See flyer for further details and information.

CHRISTMAS CARDS

We know that children love to send each other Christmas Cards and we don't want to prevent it happening this year. We have put a few safety measures in place to enable this to happen. **Children should bring cards into school any day up until Wednesday 9th December.** We will quarantine them and children will be able to give them out to their class mates on Friday 11th and they will be sent home on Monday 14 December.
