

# Eco-Schools Committee

## Meeting

25/11/2017

### Minutes of meeting:

Present

Mrs Ormerod (parent rep), Mrs Beattie (BOD rep), Mr Declan Donnelly (Environmental officer Causeway Coast and Glen). Mr George, Kira, Nancy, Sam, Tom, John, Finn. Matthew, Emily, Josuha & Robbie.

Meeting began by welcoming Mr Declan Donnelly (Environmental officer Causeway Coast and Glen). Mr Donnelly kindly agreed to help our Eco-committee to think of ways we could target our topics of School Grounds, Litter & Energy.

Some ideas...

Make our own bird feeders from plastic bottles

Record the variety of birds

Record what type of food Garryduff birds enjoy

Involve parents

Lead a school assembly to remind everyone to put litter in the bin

Monitor levels of rubbish

Hold a tidy up day

Create energy saving posters

Measure energy bills

Involve parents by giving out energy temp cards to give to neighbours

It was proposed that we would also draw up an Eco-code and ask everyone in the school to contribute by setting up an ideas box.

After this we will also write an Action Plan. Finn (secretary)
