Dear Parents/Guardians,

I am delighted to share that our Pupil Council met on Friday and have come up with an exciting challenge for the whole school community—the Cereal Dominoes Challenge!

This year, we have been focusing on domino games, and our Pupil Council wanted to link this to a meaningful cause. As part of the challenge, **we are asking every child and staff member to bring in a full box of cereal to help support Vineyard Food bank.**

On **Monday 24th March**, all children from Nursery to Primary 7 will line up throughout the corridors of the school as the Pupil Council carefully sets up the cereal boxes like dominoes. We will then watch as they fall in a chain reaction, creating a fun and exciting spectacle for everyone!

We would be grateful if all **cereal donations could be sent in by Friday, 21st March.** After the event, all donated cereal will be given to Vineyard Food bank to help those in need.

This is a fantastic opportunity for our pupils and staff to come together for a bit of fun while also making a real difference in the community. We would love to collect as many boxes as possible, so please give what you can.

Thank you in advance for your generosity and support!

Yours sincerely

Sandra Ferguson
Principal
