

***EDIT TO AFTER SCHOOL ACTIVITIES 2020-2021**

Dear parent/guardian,

Clare Primary School will no longer be working with Burns Skills School. Despite arrangements being in place since May 2020 for our after school provision, they have let us down on 23rd September 2020, after knowing the arrangements were sent to parents.

We are extremely pleased with our new arrangements and these enable us to now offer after school arrangements Monday to Friday. I do hope you understand these were completely unforeseen circumstances and not due to any disorganisation on the school's part.

I would also like to draw your attention to the change of dates, this is now a 9 week after school timetable as we will be finishing early the week of 19th October for parent teacher interviews, which will be telephone based this year – more details will follow.

P4 - P7 3pm – 4pm (new collection time)

Dates: Week beginning...

Sept 28th;

Oct 5th, 12th;

Nov 2nd, 9th, 16th, 23rd, 30th;

Dec 7th.

No activities: Oct 19th week as children are going home early for parent/teacher consultations;

Oct 26th week as school is closed for half term.

Football, basketball, tag rugby and hockey **must** be played outdoors.

Please provide the coaches with your child's details a.s.a.p. if you wish to book a place. Clearly state the Name, Sport & Year group (not the class e.g. P3 not P3/4).

Groups will stay in their class bubbles.

CR hockey would recommend each child bringing their own hockey stick to reduce cross contamination; shin guards and a mouth guard **must** be worn.

Payment of £4 per session, per activity (£36) for the full term) should be brought to school in a clearly labelled envelope during the first or second week of activities (by Friday 9th October). This money is given directly to the coach so please send it on the correct day. Do not give it to the class teacher or Mrs Dillon.

Changing facilities are not available at present, therefore children will only change from their skirt / trousers into shorts / jogging bottoms. School shoes can be changed into trainers. PE kit must only be worn on the designated PE day for their class. Full school uniform must be worn on all other days.

All children must be collected from an after school activity from the front door (red door). P1-P3 children must be collected promptly at 2.50pm and must be away from the door before the children being collected at 3pm are being dismissed from the same door.
