CLASS OF THE WEEK!

The Class of the Week gets the trophy to keep in their classroom for a week and 15 minutes of extra playtime.

P2/3

EASTER HOLIDAYS

School will be closed for two weeks and reopen again on Monday 13th April.

MOBILE PHONES

After Easter, mobile phones will be collected by the teacher each morning in the playground, switched off and kept in a secure box during the day. They will then be given back to the children at the gate at home time. Anyone with a mobile phone during the day will have it confiscated and it must be collected from the school office.

THANK-YOU!

A massive thank-you to our friends in Profast for donating an Easter egg for every child in the school. We are delighted to work with our local community.

FIGHT2THRIVE BOXING

We are delighted to have Steven Ward back with us from Fight2Thrive Boxing to work with our P5, P6, P5/6 and P7 classes. Each class will receive a 30-minute session each week for 6 weeks. This will begin on Tuesday 14th April.

SAFEGUARDING TEAM

If you have any worries or concerns about a child, you can speak to our school Safeguarding Team. **Mr Massey** is the Designated Teacher and **Mr Stringer** and **Mrs Wallace** are the Deputy Designated Teachers.

ATTENDANCE AT DRPS

Mr Massey meets regularly with the EWO to monitor attendance. Children with an attendance percentage of below 85% are discussed with the EWO. It is therefore important that you do the following:

- Ensure your child is in school everyday if they are well and able - the common cold does not require you to keep your child off school.
- Keep medical appointments outside of school hours, where possible.
- If your child is absent, please phone the school office (028 9032 3018) or Seesaw your child's teacher so that we can record a reason for the absence.

The next time you will receive your child's attendance percentage will be at the end of March.

CONTACTING A TEACHER

Should you ever need to contact your child's teacher, please phone the school office. The teacher will confirm the date and time for the phone call or meeting to take place and the school office will phone you back to confirm the arrangements.

Please sign up to Seesaw to keep up-to-date with school news. If you need any assistance setting up Seesaw, please speak to Mr. Massey.

Please do not smoke or vape on school premises, in the playgrounds or outside the school gates.

COMMUNITY NOTICES

Meningitis - know the symptoms

Symptoms of meningitis develop suddenly and can include:

If you become worried about yourself, your child, or a friend, particularly if symptoms are getting worse, seek medical help urgently.

MenACWY vaccine

Pupils in year 11 and 12, are offered the MenACWY vaccine in school. The vaccine helps protect young people against four different causes of meningitis and septicaemia: meningococcal groups A, C, W and Y disease. If you're aged 25 or under, at university and haven't yet had the MenACWY vaccination, you should ask your GP for the vaccine.

There are other types of meningitis that there are no vaccines against, so it is important to still watch out for the signs and symptoms.
