

Each year our school has a School Development Plan. This plan sets out the things we want to improve and make better in our school.

Here are our targets for 2018/2019:

	How will we know when we have done it?
<p><b>Pastoral Care</b>  <i>We want to introduce new 'Positive Behaviour Routines' so that school can be a safe and happy place for all our pupils</i></p>	<p><i>Each pupil will know our Golden and Silver Rules and our traffic light system.</i></p> <p><i>There will be less incidents of poor behaviour in the classroom and playground.</i></p>
<p><b>In Mathematics and Numeracy....</b>  <i>We want to make sure that every pupil is challenged in their learning in Mathematics</i></p>	<p><i>The work you do in Mathematics will not be too easy for you but it will challenge you to think a little more in order complete a range of tasks</i></p>
<p><b>In Language and Literacy...</b>  <i>We want to make sure that every pupil is challenged in their learning in Literacy</i></p>	<p><i>The work you do in Literacy will not be too easy for you but it will challenge you to think a little more in order complete a range of tasks</i></p>
<p><b>In ICT...</b>  <i>We want to make sure that pupils know and understand the 5 ES and that we have up to date hardware ie Clevertouch boards in our school to help you learn</i></p>	<p><i>You will understand each of the 5Es and you will know when you are learning about them. You will be able to talk about the 5Es when talking about your work in ICT</i></p>
<p><b>Pupil Involvement</b>  <i>We want to listen to what pupils have to say through our pupil council, eco council and learning leaders. We want to continue to use our Digital Leaders to enhance learning and teaching in ICT. We want to give you the chance to tell us what you think through pupil questionnaires</i></p>	<p><i>You will have the chance to tell us what you think about school through questionnaires at the end of the year. We will have digital leaders to help us with ICT. These pupils will come from P6 and P7 and will deliver assemblies and help in classrooms. You will have the chance to join pupil council or the eco council to help us improve our school and make it a better and nicer place to learn</i></p>
<p><b>Healthy School</b>  <i>We want to make sure 'The Daily Mile' is run to all classes to ensure you get enough physical activity in the day. We want to make sure that you know about food and where it comes from so that you can make healthy eating choices</i></p>	<p><i>You will participate in The Daily Mile and increase your fitness levels. You will have the chance to participate in a number of lessons based on the origins of food. You will understand what makes a healthy lunch/meal.</i></p>
