## New School App

Dear Parent/Guardian,

We are launching a new school app which is now available from the App Store and Google Play Store. The App is currently in its infancy but will be used for communication and information sharing. In addition, we will be moving to an online payment option for dinner, Breakfast Club, after school clubs, trips, swimming etc in Term 1.

### How do I get the app?

Search for the app using the school's name 'Orritor Primary School' and install.

When the app is installed you will be asked for a password which is 11111 (5 one's). You will only need to put the password in once. You can then select the classes that are relevant to your child/ren.

We would encourage as many of you as possible to download the app and complete the App Verification Form that can be found under the Forms Tab.

We are very excited about this app, but we also appreciate that it will take time to embed in school life. More information will follow in the Term 1 and we will attempt to put help sheets to ensure that everyone can access the app as easily as possible.

Please do not hesitate to contact myself via email with any queries during this period.

Yours truly,

Mr Cheevers  
(Principal of Orritor Primary School and Nursery Unit)
