COMMUNITY NEWS

NI Summer Reading Challenge

Children's reading can 'dip' during the long summer holidays if they do not have regular access to books and encouragement to read for pleasure.

Children age 4 to 11 can join the World Wide Heroes for this year's Summer Reading Challenge to discover how they can make a difference to the environment.

The Summer Reading Challenge will take place from **19 June until 18 September**. Children can sign up at their local library, choose their reading goal then read any books to collect special stickers and other rewards along the way – all for FREE. There is a digital platform too, so the fun can carry on at home!

Events and activities will take place throughout the summer online and possible face-to-face depending on guidelines issued by the Northern Ireland Executive.

There will be more information on the Libraries NI website www.librariesni.org.uk and social channels over the next few weeks so please keep a look out for further updates.

The school has no means of endorsing the activities or events in Community News.

Parents are advised to ensure any activity is appropriate for their child.
