

15 November 2019

Dear Parent/Guardian

Illness

Please help us to limit the spread of infection by keeping children at home if they are unwell and for a period of 24 hours following sickness.

Craft Fair

My sincere thanks to the members of our committed PTA for organising such a wonderful Christmas Craft Fair last night. We had over 700 in attendance! The atmosphere was wonderful and so many people commented on how enjoyable the evening was. Thanks too to my colleagues who supported the evening in many roles. We will let you know in due course the amount raised although I prefer to rate the success of the night by the community spirit which prevailed. A truly lovely start to the Christmas season!

Open Evening

Please note that if you have a child due to commence Primary 1 in September 2020 you may like to come along to our Open Evening which will be held on Tuesday 10 December from 5.30 pm until 7.00 pm.

Rights Respecting Schools

I am pleased to inform you that school has been awarded the Silver Level as a Rights Respecting School. This is a wonderful achievement. The UNICEF assessor was most impressed by school's efforts across all areas of school life. As always the pupils shone in providing their tour of school. I would like to express my thanks to Mrs Larmour who has led the initiative for the last four years.

Friends of the Cancer Centre

As Christmas is approaching, we would like to give parents the opportunity, as in previous years, to make a small donation to our Christmas Charity rather than buying gifts for staff in school.

Our chosen charity will be 'Friends of the Cancer Centre'. There will be a post box available in our school foyer throughout December into which the children may, if they wish, post a donation.

The children are working hard in preparation for their Christmas Productions and Carol Services. We are very much looking forward to having you join us for their performances.

Yours faithfully

G T Cherry
Principal
