

UPDATE

By way of update in relation to the Restart Programme and what the new school day might look like, we are currently reviewing, exploring and reshaping our school environment to maximise space to facilitate the return of all our pupils Nursery-Primary Seven, Monday - Friday. Initially School Meals for the month of September will only be offered to those pupils in receipt of Free School Meals, all other pupils should bring a packed lunch in disposable packaging

We are delighted that our Parish Administrator Canon Francis Brown, has been able to reschedule our First Holy Communion for our current Primary Four class, with the ceremony taking place on Saturday 3rd of October at 11am in Saint Brigid's. We are delighted to welcome Canon Francis back to his ministry and look forward to working with him.

As you can appreciate this is a very fluid situation we all now face and may be subject to change, determined by Executive and Department of Education guidance, we urge all our parents and caregivers to regularly check our website and Facebook pages for the most updated information which will be posted once it becomes available. Please enjoy the Summer Break and stay safe.

Kind Regards,

Ciarán Mackin
Principal.
