

P7 Delamont Residential

The P7s embarked on their trip to Delamont before the mid-term break. They had a fabulous time despite the cold weather.

The children took on enormous challenges with a brave face as they canoed, took part in an adventure walk and even jumping into the freezing water. As always the children were fantastic, fearless and loved all the challenges they faced. They worked well together in their groups and have made memories for life!

Cancer Focus Visit!

Last week we had a fantastic visit from Leon, who works for Cancer Focus. He taught us all about the importance of a healthy lifestyle. He gave us lots of information and tips on how we can promote a healthy lifestyle. This was a fun and important visit. Thank you Leon!

Handball Champion visits SJB

We had a very special visitor to our school this month. Aisling Reilly, two-time Handball World Champion, visited the school for the opening of our new handball walls. Aisling answered questions from the children and participated in some games and activities with some of our young players. This was a wonderful way to introduce our fantastic new walls to the school.

Hopefully our young players will follow in Aisling's footsteps! A special thank you to Paddy Devine & the sponsors, CM Precision Components and Coopers Pharmacy, for helping make this happen.

Here are some of our young talented handball players that have been representing the school!

Looking sharp P7s!

A massive thank you to MFC Sports for our final year half-zips. The children were so excited to finally get to wear them and they all look fantastic!

Spreading the Love

Before the mid-term break the children participated in our Red Day, in honour of Valentine's Day. The children came to school in some beautiful red clothes and enjoyed a special Love song singing session!

Our Fantastic Footballers

Our football team, coached by Mr McGreevy, have been playing superbly over the past few months. They were Runners-Up in the Belfast Schools' 5-a-side tournament & have reached another final to be played in the weeks to come. Well done, boys!

SAG Credit Union Quiz

The annual SAG Credit union quiz took place this month for our two P6 classes. The children had a great time working together. Well done to the winning team who went through to the next round and represented the school at the regional finals in Park Avenue Hotel yesterday.
