School closes for Christmas Holidays

Preparations for the upcoming shows are well underway, and we are looking forward to welcoming all our parents and extended families to the performances. We would also like to extend our sincere thanks to our parents for their support; making arrangements for pupils to attend extra rehearsals, sourcing costumes and purchasing tickets. All proceeds from the shows go towards our school funds which will be used to enhance provisions for all pupils. This is such a fun time of year and we have lots of exciting treats planned for the children over the coming weeks.

Focus for the month

Our school value of the month is

SAFETY

Dark mornings, evenings and bad weather can make travelling conditions more challenging. To ensure everyone's safety we urge you to take more care when arriving and leaving the school grounds.

Our Digital Leaders are working hard in school reminding pupils of the importance of staying safe online. Check out their Online Safety newsletter on our school website.

With many pupils receiving new devices over Christmas, we would encourage all parents to research parental controls and settings.

Reminders

Our PTFA would like to invite all new members to join their next meeting on Monday 2nd Dec@ 7pm Please spread the word, everyone is welcome.

There is quite a lot of sickness at this time of year. We encourage parents to ensure pupils are fully recovered before their return to school. Please notify the school about absences using class Seesaw / or via the school office.

If your child has been requested to source a costume for the show, please ensure this is labelled before bringing in to school.
