Dear Parent

We have reached the end of a very difficult year – I would like to thank you all for your support and cooperation over the last year and wish you a pleasant and enjoyable summer.

The arrangement of classes next year is as follows -

Existing classes will move on in their current form.

P1	Mrs Harris	P5	Mr McGlone
P2/3	Mrs Neill	P6	Mrs Catterson
P3/4	Mrs Sheridan	P7	Mr Torney

Following the education minister's recent announcement, parents are asked to prepare for reopening from Monday 24th August. With the Covid-19 emergency in mind, there is a possibility that we may need to phase classes back gradually over a number of days to ensure that the Health & Safety procedures we have planned will be embedded properly.

Many plans are in place to make your child's return to school as safe as possible but with the situation/guidance changing so rapidly, I cannot give firm dates or arrangements just yet but will provide these later in the summer. These will be communicated to you via Seesaw or the school website.

Once again, on behalf of all the staff, have an enjoyable summer break.

Yours sincerely

P. Torney
Principal
