

Parish of Duneane

Children's Masses

We, as a parish, want to instil a firm belief within our children and prepare them appropriately to enter a world full of choices and decisions.

Below is a timetable outlining the key dates for very important upcoming masses which are devoted to all children within the Parish of Duneane. The themes are displayed also; an opportunity for Fr. James to embrace with all children key elements and prepare more specifically for the Sacrament of First Holy Communion.

We would love it if you would please try to attend as best you can as you and the children's presence will contribute to the overall spiritual development of the Parish of Duneane in a very positive way.

God bless,

Fr James
