

9th January 2023

WELCOME BACK!

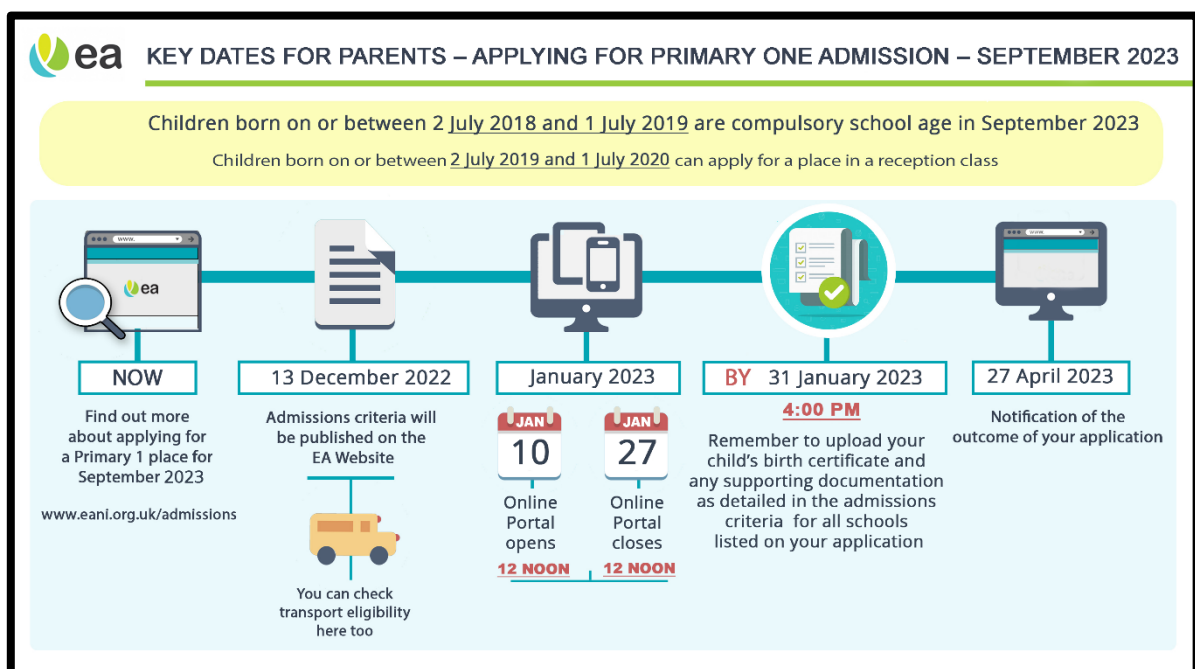

We extend a warm welcome back to all our pupils after the Christmas break.

SCHOOL PLAYGROUND – MINOR WORKS

Construction work is currently being completed on the school's playground. The project is costing approximately £137,000 and includes works such as tree removal, tree root removal, new drainage, refencing and total resurfacing. We were disappointed to see the trees being removed from the school environment but unfortunately the roots were lifting and causing health and safety issues throughout the school grounds. The work should be near completion by the end of January!
