POST PRIMARY ADMISSIONS – SEPTEMBER 2024

Dear P7 parent/s,

EA Connect opens for Year 8 Post Primary applications on Tuesday 30th January at 12noon and closes on the 22nd February @ 12noon

You **must** complete an online application via EA Connect for your child to transfer to a Post Primary school. Please refer to '**Applying for a Year 8 Post Primary Place - Key Information for Parents**' on the home page of the school's website. A paper copy of the Quick Guide will be sent home with your child on **Monday 29th January**. This will explain how to apply for a Post Primary place via EA Connect.

Further guidance and additional information about the online process can be accessed via the link below.

<https://www.eani.org.uk/parents/admissions/post-primary-admissions-guide>

All schools have admissions criteria. If they receive more applications than they have places available, they use the criteria to decide who to offer places. **Before completing your child's application, you should carefully read the published admissions criteria for each school that you wish to nominate as a preference.** When completing the application, it is important to provide all the relevant details and preference reasons about how your child meets the schools' admissions criteria. Published admissions criteria can be accessed on the EA'S website via the link below:

<https://www.eani.org.uk/parents/admissions/search-admissions-criteria>

The results of the SEAG Entrance Test can be accessed from your child's SEAG account on **Saturday 27th January from 8am**. Our thoughts will be with all the children who are expecting results.

Finally, if you feel you need any support or guidance with choosing schools and completing the online application process, **please do not hesitate** to contact the school.

Kind regards,

Louise McKnight Neil Campbell
