

Donaghmore Primary School Parental Permission Record

Child's name:

The health, safety and well-being of the children in our care are of paramount importance to all members of staff.

We have policies and procedures in place to protect our pupils. Parents may request copies of these policies at any time.

Mrs Parks is the designated teacher for Child Protection issues and Mrs Watt is the Deputy Designated teacher.

All visitors to the school will be vetted using the Security system. The monitor is in Mrs Watt's classroom and she will decide if a person is to be admitted to the premises. If Mrs Watt is absent, Mrs Parks will be consulted regarding the admission of visitors. Children will be taught not to open the door. Individuals entering school for limited periods, for example to make deliveries, or visitors for a meeting, will not be left unsupervised with children.

Children must be collected by an adult if they are required to leave school premises during the school day. They will only be permitted to leave if the parent has made direct verbal contact with a member of teaching staff or has made a request in writing.
