To the Staff and Pupils

On behalf of the trustees, myself, staff, and clients at Charis Cancer Care, I would like to express our heartfelt thanks for your generous donation of £380.00, raised through your fantastic Bring and Buy Sale at the school.

It is truly inspiring to see the effort and enthusiasm of all the boys and girls who participated, as well as the support and dedication of the staff who made the event such a success. Your generosity and kindness will make a significant difference in helping us continue to provide vital services to those in need.

May we thank you sincerely for your support, and we hope you feel proud of the positive impact you have made in our community.

Charis Cancer Care is Mid-Ulster's first unique Cancer Care Centre. It provides person-centred care for those whose lives are affected by cancer from diagnosis onwards. This is possible through the delivery of an individualised programme of complementary therapies and psychological support that compliment treatment and care given by hospital and cancer centres. The aim is to reduce the effects of the disease and its treatment, whilst improving quality of life and helping the person to regain control and develop cognitive skills.

Charis is a registered Charity and dependent on public financial support. It is only with your help and support that we can continue to provide these services and again the charity is grateful for your support.

Thank You

Yours Sincerely

Imelda McGucken MBE
Director of Care
