

**2021**

### **Integrated Education Turns 40**

The first Integrated school, Lagan College, was established in Belfast in 1981 by the campaigning parent group 'All Children Together'.

### **Loughries Integrated Primary School celebrates its 5th Year as an Integrated School.**

We are joining in with the celebrations as we celebrate our 5<sup>th</sup> year as an Integrated School. On Friday 24<sup>th</sup> September 2021 a special day has been organised to celebrate our first five years.

Loughries Integrated Primary School fosters a nurturing environment which encourages, supports, develops and challenges each child to reach their full potential.

We endeavour to equip our pupils with the skills and qualities needed to work together for a shared future.

It is a school for everyone where we **Learn, Integrate, Participate and Succeed.**

We are all just one big happy family!

The school wishes to acknowledge the support from the Department of Education through the Business Case grants, The IEF Grants and NICIE Training.
