

Dear parent / guardian,

Below is a list of items that your child will require for next year in P5/6. Please ensure that these are **replenished throughout the year as required** as many are used on a daily basis. I would really appreciate it if these could be labelled with your child's name or initials as this is most helpful.

I would also appreciate it if these could be sourced in advance of the start of the 2021/22 school year as we will start using these items from the first day.

I will upload a copy of this letter to the P5/6 area of the school website so that should it be misplaced; another copy is available.

I am looking forward to having your child in my class either for the first time or for another year. I hope that you and your family enjoy the summer holidays.

Many thanks in advance,

G Stewart
