Summer Sunday (cont.)

Song No.3

If you ask my fav'rite season,
It's the Summer; here's the reason:
'Cos the Summer brings the sunshine,
And the wild flowers and the hay!
If you ask which day's my fav'rite,
It's the Sunday; I'll explain it:
After lunch we pack a pic-nic,
Load the car and drive away!

Oh, I love a Summer Sunday
When I hear my mammy say:
"Let's go off among the green fields!
It's a lovely Summer's day!"
