Dear Parents/Carers

We all know how important it is to receive clear and constructive feedback regarding your child's progress in school. With that in mind, we have recently reviewed the format of our Pupil Annual Report which is issued at the end each school year. We have made several key changes and the report will look and feel quite different this year.

The rationale for making these changes is to provide parents with reports that are easier to understand and provide clear information on the progress of your child in all areas of the curriculum.

Copies of the newly formatted reports have been placed on the school website and can be found at:

<https://www.magherafelts.com/parent-area/newsletter/>

We would appreciate you taking the time to have a look at the new formats and provide any feedback you have on them via the form on link below by Friday 6 May 2022.

Your comments will be greatly appreciated.

Kind regards,

I Somerville
