Old Warren Primary School

Thursday 10th September 2020

Old Warren Primary School Restart

The school is continuing to adapt to the “New Normal Day”. All of our pupils have been tremendous and must be commended for their attitude and conduct. I must also thank all of the staff for their hard work and dedication. They have enabled the children to return to a safe and caring environment, despite the very difficult circumstances.

Message from Chief Medical Officer NI – Michael McBride

The chief medical officer has written to all parents and carers regarding the Covid-19 epidemic. The letter and guidance on symptoms of Covid-19 are now on our Facebook and internet home page.

Child Protection Policy

The child protection policy is now available on our school website. Class teachers will send an electronic link to the policy via See Saw next week. It is now a legal requirement that parents confirm that they have read the policy. Please confirm this by See Saw.

Punctuality

We would appeal to all parents to ensure that their children arrive in school at the specified time. There are a number of children who are late and this is making it very difficult to maintain class bubbles.

Please do not send your child onto the playground if their class has already been collected. We have found a number of younger pupils trying to access the school building without adult supervision.

School Dinners

Hot school dinners will be provided from Monday 21st September. The dinners will be in disposable containers and served in the classroom. The cost of the school dinner is £2.60. (Nursery £2.50) Weekly dinners must be ordered every Monday and the exact change must be sent to school in a sealed envelope. The menu for the week will be published on our school website.

Irish FA – Primary Sports Coaching

Our school has successfully applied to take part in IFA Primary Sports Coaching. The weekly sessions begin on Friday 11th September during the school day. Pupils in P4,P5,P6 and P7 will take part in a variety of team games. They will remain within their class bubble at all times. Equipment will be sanitised between each session.

Yours sincerely,

Mr S Campbell

Principal
